NBC Volunteers thanks

We are incredibly grateful to over 70 (seventy!) NBC International volunteers who carried out a [News Challenge activity](#) with Years 5 & 6 last Friday. They also carried out a range of painting and gardening tasks around the school as part of their Business in the Community day. They said pupils 'behaved impeccably'.

Big Art Picnic returns to Heathbrook Park

Picnic with [WildCity](#) and create a giant, interactive, tunnelling installation at the [Big Art Picnic](#) in Heathbrook Park on Sunday 13th May from 12.30 to 4.30pm as part of the Wandsworth Fringe! Come and construct an underground city scape (representing the extension to the Northern Line) over ground. Heathbrook PTA will also host a refreshment stand both afternoons. Help out on the day for as little as half an hour - please sign up using our [doodle poll](#) or in the office.

Visiting our Nursery

We are spreading the word about our fantastic nursery provision. Lots of parents who visit for a place in reception wish they had been told about our nursery before. So we are again encouraging you to be school ambassadors! All you need to do is invite parents of children under the age of three to come and see for themselves. Tour dates are available on the ['admissions' page of our website](#).

Be the Best you can Be!

This half term's learning focus in [Be the Best you can Be!](#) is Resourcefulness. Assemblies and class activities will explore how to be creative with learning of all kinds, making connections and using other people's ideas (magpie-ing). You can support children at home by talking about this.

Polling Day reminder

Remember that the school will be closed next Thursday (3rd) as it has been designated a polling station for the local council elections.

PTA Parent Social and Film Night reminder

This half term's [Parent Social and Film Night](#) is [next Friday \(4th\)](#) at 6.30pm.

PTA Family Fun in the Garden reminder

Come and join in with PTA [Family Fun in the Garden](#) on Saturday (28th) from 9.30 to 12.30pm. We will be creating a 'buckets, bits and bobs' flower bed, constructing a leaf hotbed for pumpkins, planting out a range of other seedlings and much more! Bring family, friends and neighbours.
