Marathon Trust Pitch Funding

Funding for our Astro Pitch received a significant boost this week with a £20,000 grant from the [London Marathon Charitable Trust](#). We want to say a further big thank you to Nuria Valle Garretas whose workplace Chevron have also recently donated £3,000. This means we have now raised over £105,000 altogether! We still need to raise another £20,000, so please contact [Graham Hishmurch](#) or a senior member of staff if you know any further potential funding sources.

Big Thanks for our Big Art Picnic

It was another [amazing event in Heathbrook Park](#) at the weekend. Coordinators from the Wandsworth Fringe were hugely impressed with the atmosphere, sense of community and PTA involvement. They have all been working incredibly hard over recent weeks to prepare themselves and staff have been very impressed with their commitment and resilience. We look forward to sharing the children's success!
