## Summer Fair - this Saturday (23rd) from 1 to 4pm!

Final preparations are being made for our [fair on Saturday](#). Make sure you read the [programme](#) (map on reverse) which was sent home yesterday. Thanks to everyone who has contributed so far - if you haven't signed up yet, please help on a stall for half an hour when you come. *All children need to be accompanied by a responsible adult.*

Some [School Councillors have been busy](#) arranging [reusable cups](#) to reduce the amount of plastic waste at the Fair; you will need to give a £1 returnable deposit for your cup. The book and toy stalls will have an honesty box for contributions, so you will be able to buy items for what you think they are worth. Children can still enter the [Heathbrook Bake Off](#) until 3.30pm tomorrow (22nd).

## Further Funding

Our parent-led astroturf pitch team have received another donation of £10,000 this week from the Garfield Weston Foundation. This takes the total raised to over £124,000. Come and talk to parents involved on the PTA stall at the fair!

## Google Volunteers

We are incredibly grateful to the Google Serve volunteers who ran an [enterprise skills workshop day](#) with the whole of Year 5 and 6 yesterday. In addition a further 40 Google employees completed [gardening and painting activities](#) around the school. They were incredibly positive about the children they worked with.

## International Week

Thanks to everyone who made yesterday's [International Food Festival](#) such an incredible success with over 170 (yes, one hundred and seventy) plates of food being served. Remember to come to the whole school's Carnival of Cultures with costumes and music tomorrow (22nd) starting at 1.45pm in the playground.

## Golf Champions

Following the recent success of our cricket teams we are delighted that our two golf teams also demonstrated their *Be the Best you can Be!* values at Lambeth's [Primary School Golf Competition](#) last Friday. Not only did one of the teams win, but the other team were also runners-up! They will now go forward to represent Lambeth at the London Youth Games in July.

## Part of an International Digichoir

Heathbrook pupils were selected to feature in the [Sing Up Day digichoir video](#) compilation of the song *Be the Change*. The video highlights the involvement of tens of thousands of other children from over thirty countries!
