Make sure you are part of our Summer Fair, the biggest event on our calendar! It's on Saturday 23rd June (1 to 4pm). Lots of people discover Heathbrook at the summer fair, so...

- Make sure friends and neighbours are coming
- Sign up in the playground and [get involved](#), however much time you have
- Bring in toys, clothes and books - leave them by the playground cabin
- Enter the Great Heathbrook Bake Off competition!

[Get in touch via [HeathbrookPTA@gmail.com](mailto:HeathbrookPTA@gmail.com) or Heathbrook Mummies and Daddies on Facebook.]

## Bring a Bottle Day

When children bring a bottle next Friday (15th) for the tombola at our Summer Fair, school councillors have decided that they can wear an accessory relating to countries in the World Cup over their school uniform (eg hat, scarf). Bottles can be alcoholic (if brought by an adult) or non-alcoholic, any shape or size!

## This Half Term's Learning

This half term's (green) information leaflet has been sent home along with a letter about Year Group Curriculum Meetings (Open Classrooms) taking place soon. Make sure to put dates in your diary from the [Summer Term \(second half\) Overview](#) coming home with this newsletter.

## Safeguarding

Following one of our regular safeguarding reviews, we are asking everyone to wait outside of the front lobby before gates open at 8.45am and 3.15pm unless there is an emergency. Office staff need to be able to make confidential phone calls up until these times. Thank you for your support with this.

## Class Photos

On Monday a photographer took photos of the children. Proofs will be sent home in due course along with details of how to order copies.

## *Be the Best you can Be!*

This half term's learning focus in [Be the Best you can Be!](#) is Reflectiveness. Assemblies and class activities will explore how to think about thinking (developing meta-cognitive skills); knowing when and how to use particular strategies for learning or problem-solving. Remember to talk about this at home.
