Individual Pupil Photos

Just after half term, on Tuesday 30th October, a photographer will come in to take pictures of individual children and siblings who are also at Heathbrook. You can find out about how, following parent feedback, both [individual and group photos](#) are taken at different times of the year by clicking the link to our website.

Parent Forums update

Thank you to everyone who attended our Parent Forums last week and shared their views about (before and) after school clubs. The parent governors who hosted the sessions have already started collating your ideas and will be sharing next steps after half term.

Hockey Success

About thirty schools took part in Lambeth's [Quicksticks Hockey Championships](#) at Streatham & Clapham High School... and our squad came second! Well done to everyone who took part and a particular thanks to Spencer Hockey Club who have been coaching the children this term. Imagine how good our hockey players will be once they start practising on our own all weather pitch!

Award-winning Chef

This half term we have been delighted to welcome a local award-winning chef to cook with our Year 5s every week. They have been creating delicious recipes using produce grown in our wildlife garden. It has formed a vital part of our outdoor learning curriculum, linking field to fork. Dishes included [tomato bruschetta](#), cabbage and kohlrabi soup and also [green tomato soup](#)!

Curriculum Information Evening reminder

Remember to put our Curriculum Information Evening in your dairies. It will be at 3.30pm and (repeated at) 5.30pm on Thursday 8th November. It will have a particular focus on how we can support our children to develop their computational thinking skills which will be even more important in the future. Staff will explain what children currently learn and how we teach it. We also need your views too!

[This replaces next half term's Year Group Curriculum meetings.]

PTA Halloween Cake Sale reminder

The theme for our first [PTA cake stall](#) of the year is Halloween. It will be just after half term on Tuesday 30th October at 3.15pm in the playground, so start planning what you are going to make and bake!
