## Fantastic Learning Progress

In addition to the high scores Year 6 pupils achieved in their Key Stage 2 SATs last summer, we are now delighted to share the progress they made. [Measures now released](#) show that our children made 'well above average' progress for reading and maths!

## PTA Winter Fair - next Friday (7th) from 3.15 to 5.15pm

As well as a fun activity, our Winter Fair will be raising money for playground equipment. Please note that it is run by volunteer parents and carers. All of us are members of the PTA, so we can all help out. When more of us volunteer, the Fair will be more enjoyable for everyone. The more volunteers there are, the less everyone has to do. Just half an hour helping on a stall will make all the difference. So sign up at the table in the playground soon, if you haven't already!

Thanks to everyone who took part in our first [Coffee and Crafts Morning today](#) helping with final preparations. Come to another one at 9am next Thursday (6th). When children bring a bottle tomorrow (30th) for the tombola at our Winter Fair, school councillors have decided that they can wear 'something wintery over their school uniform' (eg hat, scarf). Put bottles in boxes at the gate.

There are also lots of other [ways you can help](#). Remember to sign up for Santa's Grotto in advance at the playground sign up table. Look out for a fair map which will be sent home soon.

## Choir Sing at Clapham Lights

Come and hear the Heathbrook choir sing as part of the Clapham Lights switch-on at the Polygon in Clapham Old Town tomorrow (30th) at 5.30pm. The Mayor of Lambeth and Omnibus Theatre will mark the official start to festivities.

## End of Term Performances reminder

## First Match on our New Pitch
