Welcome Back!

We hope you had a restful and enjoyable break.

This Half Term's Learning

Yesterday all children took home this half term's information leaflet along with a letter about Year Group Curriculum Meetings taking place next week. Following feedback, all year groups are now offering 8am meetings for working parents instead of at 5.30pm. A [Spring Term \(first half\) Overview](#) has important dates too.

Parent Teacher Meetings

Letters have been sent out about Parent Partnership Meetings taking place week beginning Monday 21st. Please return appointment slips promptly. They will focus on next steps highlighted in the autumn term progress updates. Children are encouraged to attend to enhance their responsibility for learning.

PTA Coffee Morning

The first coffee morning of term is next Thursday (17th). Come and find out how our new all-weather sports pitch is already being used and ways it could be used in future.

Be the Best you can Be!

Our learning focus in [Be the Best you can Be!](#) for this half term is Resilience. Assemblies and class activities will help develop perseverance and learn from making mistakes. You can support children at home by talking about this.

Updating Personal Details

Please take responsibility to ensure that you keep us informed of any recent changes to personal details including emergency contact numbers. Send an [email to the office team](#) to let us know.

Lost Property

Any [lost property](#) found at the end of last half term will be kept inside or (weather permitting) just outside the painted playground cabin until next Friday (18th).

Christmas Cards and Christmas Tree Bases reminder

Please keep leaving your old Christmas cards in the main lobby for children to use in class. You can also add to the pile of Christmas tree bases by the main gate for use in our pizza oven and for other outdoor learning activities.
