Heathbrook Fringe Festival

This week children have been developing a wide range of performance skills as part of our very own Heathbrook Fringe Festival. Today lots of children have performed their various acts to their own year groups. A very small number of acts will be selected to perform in special assemblies tomorrow!

Spring Bulbs around Tyre Island

Thank you for all your positive comments about the [spring bulbs that Year 5 have potted and displayed around tyre island](#) in the playground. They wanted as many people as possible to enjoy their blooms! Also a big thank you to Dan Lester for delivering the amazing hemp tables donated by the V&A Museum.

PTA Gardening Together

Spring has sprung so it's time for families to come and [garden together again](#) next Saturday (16th) from 9.30am to 12.30pm. There will be lots of exciting plants and animals to explore and support, including [frogs and newts in the ponds](#)! Refreshments for children and adults will be served.

PTA Book Sale update

Thank you to our reading volunteers and everyone else who helped organise our [PTA book sale](#) as part of this week's activities to celebrate World Book Day. The proceeds will help purchase more books for our library. Please continue to leave unwanted children's books in good condition in the main office for the next sale!

PTA Coffee Morning update

Thank you to parents who attended our PTA Coffee Morning yesterday to explore how parents can further support reading at school. They suggested having more book sales and encouraging more families to donate unwanted books. There were also great ideas about our refurbished library.

Nursery Tours

We are aware that parents of young children are thinking about choosing a nursery for September. New [parent tour dates](#) have been put up on our website (for prospective Reception parents too), so please share them with friends and neighbours who could soon be joining our Heathbrook community!
