

HEATHBROOK
PRIMARY SCHOOL

Newsletter

4th April 2019 Issue No. 525

Term Ends at 2.15pm tomorrow

Remember term finishes at 2.15pm tomorrow (5th) and there is no Heath Kidz. The [summer term starts](#) on Tuesday 23rd April. Have a great break and be ready for lots more learning!

Summer Term Before and After School Activities update

Thank you for all of the very positive feedback we have received about the improvements to our registration for next term's activities. We are still looking for ways to accommodate the extremely large number of children keen to take part in art and dance (and considerable waiting lists); please speak to a member of office staff to find out more.

Year 6 Cake Stall tomorrow (5th)

The Year 6s have created a Cake Committee and here is their message:
"We are having a cake stall to raise money for our Year 6 leavers' jumpers. Come along and buy cakes at our stall in the playground after school tomorrow."

School Improvement Adviser Visit

Our local authority School Improvement Adviser carried out one of her termly visits recently. Amongst other things, she reported that Heathbrook provides a 'calm environment with rich opportunities'. She also noted that the staff and governors are 'community minded and engage families and external partners to benefit the children in their school experience'.

Westbury Development Coffee Morning update

Thanks to everyone who attended the coffee morning with Giles Enion, the project manager from St James, last Friday. They had the chance to study the [model of the Westbury Estate masterplan](#) and asked to keep it in school for more parents and carers to see next term.

Roof Netting Fitted

The finishing touches are currently being made to our wonderful new all-weather sports pitch. This week the [roof netting was installed](#) to keep balls inside the pitch at all times and as part of our respect for the neighbours.

Pots, Seeds etc. reminder

Please bring in any unwanted plant pots (of any shape and size), plants, seedlings or seeds you may have for children to use around the school. The children have been growing lots of their own and are always looking for more!
