Curriculum Information Session
Want to support your child with their maths at home as well as in school? Come and find out about ways to develop your child’s maths ‘mastery’ at this term’s Curriculum Information Sessions for all families after half term. They will be at 8am, 3.20 and 5.30pm on Wednesday 6th November. Put the date in your diaries now and more details will follow.

PTA Coffee Morning / Reading Volunteers reminder
Come along to the lower hall tomorrow (11th) to hear more about how our thriving group of volunteer readers support children of all ages in a variety of ways. Find out how you can play your part.

Speech and Language Information Coffee Morning
Last spring we had an extremely successful parent workshop about supporting your child’s communication skills with Nushin Burton, our Speech and Language Therapist. Nushin is now offering another opportunity to explore individual children’s needs at a special coffee morning on Wednesday (16th) at 9am.

PTA Halloween Cake Stall
The theme for our first PTA cake stall of the year is Halloween! It will take place in the playground just after half term on Thursday 31st October at 3.15pm (and 4.15pm for children in activities). Everyone is encouraged to contribute what they can, so start thinking what you are going to make and bake.

Heathbrook Children Build Mega Maker Lab
A number of our children were involved in an incredible creative project with architects at the Institute of Imagination during the summer holidays. Watch the Mega Maker Lab video to see how the building and engineering workshops inspired their learning, as well as interviews with our children and staff!

Flu Vaccines
Unfortunately the nurses who came this week to administer flu vaccines only had time for three classes. They have advised us that they will be returning on the Tuesday (29th) after half term to give the vaccines to all the remaining classes.

Final Spaces for Futsal Camp
There are just a few places left in this half term’s Futsal Camp taking place all week in our all-weather pitch. Take this last chance to find out more details and a registration form from staff in the playground or the office.
