Annual Parent Questionnaire Analysis
We are again delighted to share the incredibly positive analysis of our annual parent questionnaire. Respondents again gave the school an ‘excellent overall performance score’. 65% of respondents rated the school’s overall performance as ‘very good’ and 31% as ‘good’; none rated the school as ‘poor’ or ‘very poor’ and just 4% chose ‘neither’. The survey highlighted ‘community spirit’, ‘school communication’ and ‘out of school activities’ as areas of school life that are considered ‘particularly outstanding’. Please share with prospective parents.

Breakfast Club and Heath Kidz After School Club
Following parent feedback, new improved processes for applying for Breakfast Club and Heath Kidz After School Club are being put in place to start after half term. Letters and updated registration forms are being sent out to parents and carers of children who already use this provision. Further hard copies are available from the office and you can find more information on our website.

Staying Safe Online
Talking to your child about online safety is a key aspect of child protection and parents’ responsibility. On Tuesday (11th) a tutor from the London Connected Learning Centre will be leading e-safety assemblies for Years 1 to 6 as part of Safer Internet Day. The focus this year is Together for a better internet.

More Composting
Composting has been a focus for the whole school this term as part of our key curriculum Sharing the Planet theme. The school council Conservation Sub-Committee have decided to put compost bins in the playground for playtime fruit. They are also inviting families without home food waste collections to add your fruit (no citrus) and vegetable remains (no potato peel) to our compost piles!
