Coronavirus – Staying Safe

People are talking about Coronavirus because it is a new type of flu.

Just like with all other colds or flu, it is important to be healthy.

Children and adults are very good at fighting the flu.

Just like all colds or flus, it can be harder for older people to stay healthy from flu.

I can stay healthy by:

- When preparing food
- After sneezing or blowing my nose
- Before eating
- After using the bathroom
- If they are dirty

FREQUENTLY WASH HANDS WITH SOAP
