Children’s ‘Loving London’ Exhibition

Every autumn term, every year group learns about ‘Loving London’. To celebrate what all the children have been discovering, there is a whole school Loving London Exhibition just before half term. The children’s collaborative 3D mural of our incredible city highlights the importance of the River Thames; it uses key landmarks to help understand the relationship between geography, history and our built environment. The exhibition will be in the middle hall from 4.30 to 6.30pm on [Wednesday 21st](#) and from 9 to 9.30 on [Thursday 22nd](#). Everyone is welcome - family, friends and neighbours!

Soft Surface Vote Result!

School Councillors wish to announce the result of the whole school vote to decide the colour of the soft surface being laid around tyre island during half term. The overwhelming favourite was [ultramarine blue](#)!
